

Dear future Natalie,

I am 11 year old Natalie and in this letter I will tell you about me and my future me. First I will tell you about life at the moment : my friends, my school, where I live, my family etc. Second I will talk about how I see myself in 2020 : my job, where I will live, my life, my kids etc.

In this paragraph I will talk about myself. I am in grade 6 at « Le Rucher » primary school. I live in Ste-Julie near Montreal. My teacher's name is Ginette and she is a great teacher! My English teacher is Mister Newhouse and my gym teacher is Miss Christiane. I don't really have a favourite teacher, they are all nice and funny. I am lucky because my two best friends are in my class. Their names are Véronique and Annick. They are very cool and we like spending our weekends together. My favourite music groups are Milli Vanilli and New Kids on the Block. . I have a little sister, she is 1 year old and very cute. Her name is Marie-Ève. She is very young, so she cries A LOT but I still love her. My father is in the military, so we will move to Québec at the end of the year. It makes me very sad, but I don't have a choice.

Secondly, I will talk about where I see myself in 2020. I think I will be a lawyer or a teacher. Miss Ginette always tells me I can be a good lawyer because I like to argue. My choice is a teacher, probably an English teacher because I am good in English. My parents tell me I don't have the patience to be a teacher, but I am

sure I will be a good one. I don't know where I will live because my family moves every 4 years because of the military. I hope I will live in a place with a lot of snow, I love to play in the snow. I am sure I will have a lot of friends because I moved to many places. I am certain I will still be friends with Véro and Annick and if we are teachers, we will teach in the same school. I think I will have 2 kids, a girl and a boy. I am also certain that I will be married to the love of my life. I am sure that I will travel to many countries, because I love to travel, also if I am a teacher or a lawyer, they make a lot of money so I will have enough money. I think I will have 2 dogs and 2 cats, because I absolutely love animals. I will not have a big house because I don't like to clean, but there will be many gadgets in my house. For example I will have a telephone where you can see the person on the screen. I am sure I will have a flying car because everyone will have flying cars in the future.

In summary, I hope I will have a wonderful life in 2020.

Have a good day!

11 year old Natalie.
